Abrasion Resistant

Sturdy and durable, its ability to withstand wear and tear, repetitive scraping or rubbing is commendable.

Scratch Resistant

Prevent dents and other damages to the laminate surfaces with this unique feature

Wear & Tear Resistant

Truly a boon, its rough and tough advantage protects from wear and tear and turns out to be most feasible

Impact Resistant

Made with specifications that showcase stunning impact resistance, its strength is truly impressive

Moisture Resistant

All worries of moisture spoiling your laminates are now a thing of the past with this superior feature

Heat Resistant

Truly versatile, its strength is extraordinary, made to withstand all challenges undeterred and with ease

Diameter of Flexibility

It's created with such premium parameters that it caters to high impact solutions remarkably

Stain Resistant

Refrain from stain, but if it happens, don't stress, it's not a cause of worry

Anti-Bacterial Laminates

Most needed, most convenient, this feature keeps your surfaces free from the loss and damage that is otherwise unstoppable
