However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Management Discussion and Analysis Report

COVID-19 was not only a health crisis, it had far-reaching implications on the global economy. The pandemic led to a sharp decline in global trade, lower commodity prices and tighter liquidity conditions.

The global economy reported degrowth of 3.5% in 2020 compared to a growth of 2.9% in 2019, the sharpest contraction since World War II. This steep decline in global economic growth was largely due to the outbreak of the novel coronavirus and the consequent suspension of economic activities across the world. This led to global supply chain disruptions, resulting in a de-growth in some of the largest global economies. (Source: IMF)

The Indian economy passed through one of the volatile periods in living memory in 2020-21.

At the start of 2020, India was among five largest global economies; its economic growth rate was the fastest among major economies (save China); its market size at 1.38 billion was the second largest in the world; its rural population of the under-consumed was the largest in the world.

The Indian economy de-grew 23.9% in the first quarter of 2020-21, the sharpest de-growth experienced by the country since the index was prepared.

The pandemic affected both demand and supply, at least in the short-term. As lockdowns eased across the world economic activity gradually started to recover. The contraction in GDP seen in many countries, including India, was because of reduced economic activity and restricted mobility, due to COVID-19 as people curtailed discretionary spending and focused on essentials and precautionary savings due to the level of uncertainty.

The November RBI Consumer Confidence Survey showed that while consumer sentiment was higher by November, compared to July and September 2020.

The pandemic affected both demand and supply, at least in the short-term. Exports and imports both declined as a result of reduced consumer and industrial demand, according to NCAER.

According to the Economic Survey 2020-2021, the government adopted a four-pillar strategy of containment, fiscal, financial, and long-term structural reforms.

According to India's Economic Survey 2020-2021, India remained a preferred investment destination in financial year 2020-21.

INDIAN ECONOMY RECOVERY

There were a number of positive features of the Indian economy during the year under review.

A slowdown in economic growth and inflation weakened the country's currency rate nearly 2.83% in 2020 from INR71.28 to INR73.30 to a US dollar before recovering towards the close of the financial year.

Despite the gloomy economic scenario, foreign direct investments (FDI) in India increased 13% to USD57 billion in 2020.

India jumped 14 places to 63 in the 2020 World Bank's Ease of Doing Business ranking and was the only country in the emerging market basket that received positive FPIs of \$23.6 billion in 2020; the country ranked eighth among the world's top stock markets with a market capitalisation of \$2.5 trillion in 2020.

The per capita income was estimated to have declined by 5% from INR1.35 lacs in 2019-20 to INR1.27 lacs in 2020-21, which was considered moderate in view of the extensive demand destruction in the first two quarters of 2020-21.

OPPORTUNITIES AND THREATS

The COVID-19 pandemic led to changes in consumption habits. Digital played a pivotal role in economic recovery post pandemic. The new trend emerges like, WFH (work from home) has led to lesser mobility of people and higher stay at home. This has led to higher demand for bigger houses and improvement of home. Though the commercial space remains sluggish.

The demand recovery in residential real estate and Govt emphasis on the infrastructure spending had led the visible recovery in the industry. Plywood & wood panel demand set to witness a jump in near future owing to a rise in real estate demand and the Govt's plan to establish smart cities and other urban infrastructure projects.

The rise in the demand of Healthcare Sector, Hospitals and residential real estate will trigger the opportunities for your company and industry as whole.

Despite of all these positive factors there are threats in the form of dumping, import of low-cost products from overseas, increasing number of manufacturers in both organized as well as unorganized sectors, volatile market, may recede the projected growth.

Global and macro-economic factors may lead to an impact in consumer demand and sharp inflation in commodity prices could create risks.

As your company's brand is well established in the market and pan India presence with dedicated channel partners nationwide for more than four decades and emphasis on quality and manufacture of eco friendly products serve as the tools to withstand competition and move forward and achieve the estimated growth.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to the Board's Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting standards (Ind AS) prescribed under section 133 of the Act, read with the Companies (Indian Accounting standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection, application, implementation and maintenance of appropriate of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Emphasis of matter

We draw attention to the following matter in the notes to the Standalone Financial Statement:-

Due to the scheme of Arrangement of Demerger of its Chintamani unit in Archidply Decor Limited coming into effect from 01.04.2018, the Company had made Provision for Income Tax for the year F.Y 2018-2019 in the F.Y 2019-2020 as Taxes for earlier year amounting to Rs.91,30,000/-. The same has been reversed in the current year as the company has not filed the revised Income Tax Return. **(Refer note no.36)**

Our Opinion is not modified in respect of above matters.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s Archidply Industries Limited** ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting are operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
